## Health and Safety Services Level Agreement

SLAFGS06

Quality and Facility  
Management System  
(QFMS)

### 01. Purpose

The purpose of this document is to ensure that the proper elements and commitments are in place to provide consistent health and safety service support and delivery to the End User(s) of Qatar University (QU) Facilities and General Services Department (FGSD) and its sections.

The goal of this Agreement is to obtain mutual agreement for health and safety service provision between the Provider, represented by FGSD and its sections, and the End User(s) at Qatar University (QU).

The objectives of this Agreement are to:

- Provide clear reference to service ownership, accountability, roles and/or responsibilities.
- Present a clear, concise and measurable description of service provision to the End User
- Match perceptions of expected service provision with actual service support & delivery.
- Complying with the requirements of ISO 45001:2018- Occupational Health and Safety Management

### 02. Scope

This document is applicable to all health and safety services provided by the Facilities & General Services Department (FGSD) Qatar University (QU).

### 03. References

- ISO 45001:2018 Occupational Health and Safety (OH&S)
- QU HSMS: Qatar University Health and Safety Management System

### 04. Stakeholders

The following Service Provider(s) and Customer(s) will be used as the basis of the Agreement and represent the primary stakeholders associated with this SLA:

1. Health and Safety Service Provider(s) Health & Safety Section under Facilities & General Services Department (FGSD) in solidarity with its affiliated section(s) (" Provider").

\* Note:

The delivery or execution of the service might be done by **contracted outsourced company/service provider** other than the Facilities & General Services Department (FGSD)

2. Customer(s): End User (" Customer").

The End User might be any **department/college/sections/unit/Employee**/etc. that located in the Qatar University Campuses and one of the contents of its Organizational Structure (OC).
